

Haleon at a glance

Haleon has a strong portfolio of brands and is well positioned to play a vital role for people all around the world, in a sector that is growing and more relevant than ever.

How we achieve our growth ambitions

We aim to outperform our competitors with a strategy focused on driving sustainable above-market growth and attractive returns, leveraging our portfolio and capabilities.

Our strength is in our world-class portfolio of brands, our attractive geographic footprint, and our competitive capabilities of deep human understanding and trusted science.

World-class portfolio

We have leading positions in five global market categories: Oral Health; Vitamins, Minerals and Supplements (VMS); Pain Relief; Respiratory Health; and Digestive Health and Other.

Our nine large-scale, multinational Power Brands are complemented by a strong set of 23 Local Growth Brands, which are iconic in their own markets.
